MOU OF FUTURE BENCH TECHNOLOGIES

19-20
2019-20

GOVERNMENT COLLEGE (A): ANANTAPURAMU
(AUTONOMOUS)
Re-ACCREDITED WITH A GRADE 3rd CYCLE BY NAAC

INDUSTRIAL LINKAGES
between
Department of Electronics
Govt. Degree College (A)-Anantapuramu.

AND

FUTURE BENCH TECHNOLOGIES, VIJAYAWADA

Academics and industry professionals are different breeds. The former thinks of publications while the latter are enveloped by productivity and profits. Hence thinking process are totally different. To maximize the benefits of the society, common efforts are needed. This can possibly come through the designing courses in entrepreneurship and internship.

To make this possible, The Department of Electronics Govt. Degree College (A)-Anantapuramu has entered a **linkage agreement** with **Future bench technologies, Vijayawada** as an initiative in sharing the practical experience in the field of electronics and communication.

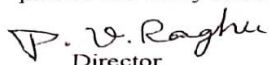

This Linkage shall undertake the following activities

1. The two parties will cooperative in exchange of information in relative field of electronics and communication.
2. Provide necessary information and internship and undertaking projects and desighning of electronic circuits and devices in transmission of signals and communication
3. Provide guidance and to intensify the practical hands on experience on basic concepts of communication.

Educational Benefits

1. Creativity
2. Motivating passions
3. Enertainment
4. Real Applications
5. Team work
6. Multidisciplinary work

This linkage shall valid for a period of two years from the date of execution of both the parties and likely to be extendable further as per the need of the both parties.
